

BUILDING INFORMATION MODELING

Adaptive Practice – 2010 BIM Support Survey | <http://jasongrant.squarespace.com/jason-grant-blog/2010/4/7/results-of-bim-support-survey-released.html> | An independent survey assessment of how a range of companies in the industry support the transition to and use of BIM within their offices.

BIM Forum – Associated General Contractors of America | <http://bimforum.org/> | A collection of forums dedicated to accelerating the adoption of BIM in the AEC industry.

BIM+Integrated Design | <http://bimandintegrateddesign.com/> | Written by an architect with extensive experience in implementing BIM & sustainable design practices and the challenges that can happen along the way.

BIM Manager | <http://www.bimmanager.com/> | Supporting the hardware, software, staff training & modeling standards that keep BIM designers organized & productive.

Institute for BIM in Canada (IBC) | <http://www.ibt-bim.ca/> | The IBC is still in its infancy but promises to “lead and facilitate the coordinated use of Building Information Modeling (BIM) in the design, construction and management of the Canadian built environment”.

McGraw Hill Construction – BIM Special Edition | <http://www.bim.construction.com/> | A version of the well-known online construction industry magazine with a focus on BIM.

Whole Building Design Guide | <http://www.wbdg.org/bim/bim.php> | The Whole Building Design Guide is a resource for integrated design sponsored by the US National Institute of Building Sciences.

BIM SOFTWARE

Archicad | <http://www.graphisoft.com/> | The only professional BIM software currently available for the Mac platform as well as for Windows PCs.

Bentley Architecture | <http://www.bentley.com/en-us/products/microstation/> | BIM software based on Microstation CAD software with its roots in engineering & plant design.

Revit Architecture | <http://usa.autodesk.com/revit-architecture/> | Flagship BIM product from the makers of AutoCAD.

REVIT ARCHITECTURE

Buildz | <http://buildz.blogspot.com/> | Autodesk sponsored blog focusing on the design & construction of less conventional objects & building forms using Revit.

BIM and Beam | http://bimandbeam.typepad.com/bim_beam/ | Autodesk sponsored blog focusing on Revit Structure.

CAD Clips | <http://www.dgcad.com/Index.htm> | A source for both free & subscription-based

HOK BIM Solutions | <http://hokbimsolutions.blogspot.com/> | HOK has an open book policy with respect to sharing what they've learned using BIM in their practice so anyone can read about challenges they've had and the solutions they've discovered along the way.

Revit Clinic | http://revitclinic.typepad.com/my_weblog/ | Autodesk sponsored blog that looks at software installation & model issues in detail.

Revit – Everything Autodesk Revit+BIM | <http://autodesk-revit.blogspot.com/> | Written by a BIM manager for HOK with tricks, tips & the latest news on Autodesk BIM products.

Winnipeg Revit Users Group (WRUG) | <http://wpgrug.blogspot.com/> | Our local Winnipeg-based Revit user group.

ASSORTED REVIT USER BLOGS

don't think : Do Revit | <http://dorevit.blogspot.com/>

Do U Revit ? | <http://do-u-revit.blogspot.com/>

Malleristic Revitation | <http://malleristicrevitation.blogspot.com/>
