Each of the individual corporate entities that are involved in the partnership of corporations, must:

- meet all of the requirements outlined within the application form, relative to the corporate structure; and
- complete and submit an application form and all required accompanying material outlined.

In each case, the application must be signed by all Registered Members (or those who will be applying to be Registered Members) who are directors of the individual corporate entity.

At the time of filing application, the following must also be provided:

1. Notarized Articles of Incorporation confirming the information provided in the application (for each application).

(Note: Non-resident corporations must also provide satisfactory evidence of the Certificate of Registration in the Province of Manitoba, relative to each applicant.)

2. Satisfactory evidence of registration of the partnership of corporations with the Manitoba Companies Office under the Business Names Registration Act.

3. A copy of the proposed letterhead to be used by the partnership of corporations, which must adhere to Subsection 13.10 of the MAA By-Law.

(Note: The corporate name to be used must adhere to Subsection 13.8 of the MAA By-Law, regarding the names and designations applicable to various architectural entities . To incorporate a name using the word "architect" or any variation thereof in the corporation name, as required by Subsection 13.8, it is necessary to file the consent of the Manitoba Association of Architects with the Manitoba Companies Office. A letter of consent can be obtained by contacting the Association office.)

4. Proof of professional liability insurance coverage for each of the individual corporations, as well as partnership of corporations, in the minimum amount of \$250,000.

5. An application fee of \$525.00 (\$500.00 + \$25.00 GST) for each application.

Any legal costs incurred by the Association, which result directly from the applications and which exceed the amount of the application fees paid by the applicant, will be billed to the applicant as a disbursement.

The annual practice fee and the cost of the partnership of corporations stamp are billed to the applicants following approval of the partnership of corporations.

NOTE: The application form can be filled in on screen, prior to printing.
