JOB TITLE: **Registered Architect (or Experienced Architectural Intern)**
POSITION DURATION: Permanent, Full Time [**in-person**]
LOCATION: 266 McDermot Ave, Winnipeg
SALARY: Compensation based on skills and experience

Position Overview

5468796 is seeking a talented and **technically skilled Architect or Architectural Intern with a minimum of 3-5 years of Canadian experience in an architectural practice** to join our team full-time in a dynamic, creative environment. Our studio thrives on collaboration, passion, and curiosity. We take on projects of all scales and types, but our common thread is pushing boundaries, experimenting with new ideas, and delivering outstanding results no matter the budget. This role is ideal for a team-minded individual who wants to grow within a supportive and inspiring practice.

Responsibilities

As an Architect (or experienced Architectural Intern) at 5468796, you'll be involved in projects from start to finish—from concept and schematic design through to construction administration. You'll work closely with a partner or senior architect, gaining mentorship while developing independence in drawing production and project workflows. As you get to know us (& we get to know you and your skill set) and depending on project size, you will be part of a larger collaborative team, working through key project elements with greater autonomy and/or you will take on direct responsibility as a 'project architect' alongside a partner, principal or associate.

Qualifications

- Master of Architecture (or equivalent) and a registered member or intern member (with experience) of a Canadian licensing body
- **Minimum 3-5 years of Canadian experience in an architectural practice**
- **Legally able to work in Canada [permanent resident or existing work visa]**
- **Ability to produce construction document sets either independently or under senior supervision with working knowledge of technical detailing, building codes and zoning by-laws is an essential qualification**
- Proficiency in CAD (Vectorworks an asset), Photoshop, InDesign, Pages, Numbers, and basic 3D modelling (Sketch-Up & Rhino an asset)
- Strong design and technical skills with a robust ability to clearly communicate concepts through drawings and diagrams
- Solid organizational and project management skills
- Excellent communication skills—verbal, written, and graphic
- Team-oriented, proactive, adaptable, and eager to make things happen
- Interest in design culture and the broader purpose of architecture

- Ability to self-edit and embrace constructive feedback
- Assets: demonstrated experience with project management & team coordination (both internal & external)

What We Offer

- A design-driven studio with exciting, diverse projects
- A collaborative, supportive, and friendly team environment
- Career development through mentorship, training, and growth opportunities
- Competitive compensation, reviewed annually
- Comprehensive health and dental benefits
- Profit Sharing Incentive Plan (after probationary period)
- Company Travel Plan + Continuing Education Allowance
- Gift (donation) matching program and milestone benefits
- A vibrant open-office studio in the heart of Winnipeg's Exchange District

About Us

5468796 Architecture Inc. is a Winnipeg-based studio established in 2007. Around one shared table, a team of 20+ professionals brings diverse knowledge and experience together to deliver architecture that elevates every project, client, and community.

Over the past 18 years, our practice has focused on innovative housing in all forms, as well as urban design, walkable communities, and public space. Our work has been recognized with numerous national and international awards and featured in more than 200 publications worldwide.

Beyond practice, we are design activists and advocates. We've spearheaded initiatives such as Table for 12 + 1200, Chair Your Idea, and the Winnipeg Design District. More recently, projects like **Shared Ground** (supporting affordable housing development on social purpose infrastructure) and our federally funded **GC Wood** mass timber research initiative reflect our commitment to advancing design for broader community impact.

5468796 is a fast-growing studio in a unique niche. We're intense and passionate, but have also worked hard to create a workplace where people feel like family—supportive, inspiring, and people-centered. If this sounds like the right environment for you, we'd love to meet you.

5468796 Architecture is an equal opportunity employer. All qualified applicants will receive consideration for employment. If you qualify for this position, we encourage you to apply by submitting a cover letter, portfolio and resume to employment@5468796.ca. Note: only those selected for an interview will be contacted.
