

CALL FOR APPLICATIONS: ARCHITECT

WHO WE ARE

Service. Meaning. Enjoyment.

Established in 1974, Cooper Rankin Architecture Inc. is a firm that has succeeded through building relationships with our clients, finding meaning and enjoyment in creating projects that fuel us as a passionate, dedicated, fun loving community. By focusing on service and long-standing relationships, we get to work on a great variety of projects with good people. We use our creative, analytical, and social skills to set up our firm, our clients, and their communities, for success and well being.

WHO WE ARE LOOKING FOR

Character and soft skills matter.

We are looking for an architect who can lead small to medium size projects, from tenant fit ups to 30-40 unit multi-family apartments.

Preferred assets, in order of value, include:

- Critical thinking, social skills/emotional intelligence, curiosity, and a healthy ego
- Productive and effective in project management and execution, demonstrated by 2-5 years practicing as a licensed architect
- Works well in a team setting, both as a leader and in being lead
- Verbal and written communication
- Additional professional skills in operations, specialized credentials and/or expertise, and business development
- Independent professional goals and interests

WHAT TO EXPECT

We employ keepers.

We are a dynamic, adaptive, productive team which allows each individual to be involved at every stage of a project, from concept to execution. Working with us you will build yourself up and have the opportunity to help shape the identity of our firm. We strive to hire for long term, which guides our comprehensive employee benefits, collaborative effort to support your professional goals and accommodate your unique work-life balance needs.

Additional consideration:

- Direct experience with comparable clients and projects
- Experience/desire to assist in mentorship and growth of less experienced staff
- Experience in business development and CRM
- Well certification of similar training/credentials
- Long run goals for personal and professional growth as architect, partner, etc.
