

# Architect or Architectural Intern

## About Verne Reimer Architecture:

At VRA, we pursue design solutions that promote and engage function and clarity; spirit and beauty; place and people. Our studio's collaborative and integrated process delivers meaningful and responsible urban spaces and architecture. We deliver an in-depth level of rigor and intellectual consideration for both large and small scale projects, with great consideration of the end-user's and public's experience and interaction with the built environment.

Our open concept studio is located in Osborne Village, and is walking distance to a number of great amenities, as well as public transportation. VRA team members have access to a on-site fitness facility and have a comprehensive benefits package.

## The Position:

- Produce, manage and coordinate full construction document packages.
- Contribute to VRA's Revit standards and templates.
- Direct production teams and coordinate multi-disciplinary packages.
- Collaborate with a team of Architects, Interior Designers, Technologists, Consultants, Owners and Contractors
- Perform Contract Administration.

## You Have:

- Proficiency in Autodesk Revit, Autodesk Autocad, Microsoft Office.
- Experience in developing high quality contract documents, endeavoring for clarity, completeness, and efficiency.
- Ability to manage production in relation to defined project schedules.
- Strong knowledge of the Manitoba Building Code and Manitoba Energy Code.
- Understanding of Canadian construction methods and best practices.
- Interest in continually advancing a comprehensive understanding of building technology that promotes durability and longevity.
- Interest in creating modern design with high quality construction details.
- Master's Degree in Architecture, and/or an Undergraduate Degree in Environmental Design or Architecture from a recognized Canadian or US school is an asset.
- Architectural technologist diploma from a recognized school is an asset.
- 3+ years of experience in a Canadian architecture office is an asset.

## Apply:

We encourage you to send your cover letter, resume, and CV to [info@vernereimer.com](mailto:info@vernereimer.com). Only candidates selected for an interview will be contacted.
