ARCHITECTURAL INTERN / ARCHITECTURAL DESIGNER

UNIT 7 Architecture is seeking to fill a position for an **Architectural Intern or Architectural Designer**.

You will be part of a learning environment that helps you grow as a design professional.

With guidance and supervision, you will be involved in all aspects of the architectural profession - including 'front end' project related work and design, through to production of construction documents and the administration of projects under construction.

Ability to work both independently and within the Unit 7 team are required.

QUALIFICATIONS

- Demonstrated creative ability and passion for design
- Experience within design and construction related fields
- if an architectural intern, then working towards registration
- Proficiency with CAD software - Mac preferred, but not necessary
- Proficiency with social media as it relates to the promotion of office work an asset
- Experience working in an architectural office an asset
- Personable, with good communication skills

APPLICATION

- Please apply by submitting resume and portfolio to:
Architectural Intern email: **dean@u7arc.com**
- Successful applicants will be contacted for an interview.

Salary and benefits commensurate with experience.
