

Careers: Architect / Project Manager

About Amphora:

Amphora is a diverse group of artistically talented, technically-driven, and broadly experienced individuals working together to deliver a high level of service to each of our clients. Our informal, open office is a mixing pot where ideas are freely exchanged, and where collaboration drives our collective and personal growth. Our firm offers a comprehensive benefits package and the opportunity to grow within and alongside the organization.

Position Description:

We are looking to add an organized, well-versed, and self-driven **Architect / Project Manager** to our Winnipeg office. This person will lead the creative and technical development of various institutional and commercial projects, will direct the work of other team members, and will communicate directly with clients.

The ideal candidate will possess:

1. Registration with a Canadian or US jurisdiction as a licensed architect.
2. Exceptional written and verbal communication skills.
3. The ability to lead and coordinate the work of design staff and outside consultants in the development of project documents through all phases of work.
4. The ability to lead project meetings and to communicate effectively with clients and stakeholders, ensuring client satisfaction.
5. The ability to navigate the requirements of Manitoba Building Code, in particular where it relates to alterations of existing Part 3 buildings. Experience with the preparation of Alternate Solutions or other letters to Authorities Having Jurisdiction will be considered an asset.
6. A passion for great design.

How to apply:

Interested applicants are encouraged to forward a cover letter and resume, in confidence, to info@amphora.ca. We thank all applicants for their interest in Amphora. Please note that only candidates selected for an interview will be contacted.
