Intermediate Architect – Corporate Office

We are seeking an Architect, motivated by creating healthy and balanced work environments.

If you are a registered architect, have seven years of relevant experience working on corporate office projects. Are you an ideal team player?

- You love working together with creative people.
- You think of the needs of others ahead of your own.
- You communicate well and have good “people sense”.
- You are driven to see projects succeed.

then we'd love to hear from you!

You will work with a team of talented professionals and ensure ft3 projects continue to provide value thru practical and cost effective solutions for user engaged clients while demonstrating a high level of design sensitivity.

Preference will be given to experience with Revit, LEED BD+C or ID+C and WELL or Fitwel.

Compensation is based on experience and ft3 offers a pension matching program, a great work environment, and a comprehensive health and dental package. To apply, please send your cover letter, resume and an abbreviated portfolio (if available) to Marten Duhoux duhoux@ft3.ca. We thank all applicants for their interest, however, only those selected for an interview will be contacted.
