

Architectural Intern

We are seeking a creative, dynamic and energetic individual to join us as an Architectural Intern. The successful candidate will work on projects as part of a collaborative team through all project stages from programming to design and construction.

Experience and Qualifications

- Architectural degree from an accredited architecture school.
- Registered intern member with minimum two (2) years of experience.
- Demonstrates excellent design and communication skills (graphic, verbal and written).
- Ability to provide leadership, engage the project team, and liaise with our valued clients.
- Strong coordination and organizational skills with attention to detail.
- Proficient with AutoCAD and Revit.
- Excellent knowledge of sustainability practices.

Red River College Skilled Trades and Technology Centre

How to Apply

We are looking for talented and energetic people to grow with us. Our firm is distinguished by a dynamic workplace culture, commitment to design innovation and delight in the creative process. We relentlessly search for innovative ways to communicate, design and build.

If you feel you have the education, experience and qualities to join our team, please email your resume, portfolio, and cover letter outlining your relevant qualifications, work experience, and desired remuneration to hr@numberten.com, **Attention:** Greg Hasiuk, Practice Leader, or mail to:

Number TEN Architectural Group

Attention: Greg Hasiuk, Practice Leader
310-115 Bannatyne Avenue
Winnipeg, MB R3B 0R3

All applications are kept in the strictest confidence. We thank all applicants in advance, however, only those who are considered for an interview will be contacted.
