

# COHLMAYER

— A R C H I T E C T U R E —

## SENIOR ARCHITECT

Cohlmeyer Architecture (CA) was founded 40 years ago with offices in Winnipeg and Montreal. CA provides professional architectural and urban design services in the institutional, educational, First Nation, commercial, cultural, and residential fields across Canada.

Our employees consider our team to be family. Many have been with us for over 20 years. We offer flexible working conditions and provide health, life, and permanent disability insurance.

Duties would include quality control, code review, project supervision, report writing, construction detail with institutional and private clients. It is important to note that the candidate will work closely with the Montreal office. We currently have a large volume of asset maintenance projects for government agencies and schools / universities.

We are looking for individuals with a minimum of 10 years' experience who are fluent in building code and construction technologies, versatile and ready to commit to a long-term job. The candidate must be self-motivated and able to undertake a project management role. Priority will be given to bilingual candidates.
