

Job Title: Architect
Job Type: Full-Time

About Number TEN

Number TEN Architectural Group is an award-winning integrated practice of architecture, interior design, strategic advisory services, and planning. With offices in Winnipeg and Victoria, BC, we have over 70 employees. Our firm has created a rich legacy of significant projects and a reputation for excellence across western, central, and northern Canada for over 65 years. At Number TEN, we serve our clients and communities by designing places that make life better. We love working with people who go the extra mile, strive for design excellence, and push themselves to achieve more than expected. We are known for having a positive approach, down-to-earth style, and an ability to lead while building lasting relationships. Our employees enjoy competitive salaries and benefits within a dynamic team-based work environment. At Number TEN, we encourage and support our employees' continual growth and development.

About YOU

We are looking for an architect who is highly motivated, creative, organized and capable. If you are highly collaborative and love designing, coordinating and detailing buildings, then we are interested in talking to you!

Qualities We Value:

- Excellent design and communication skills (graphic, verbal and written)
- Knowledge of architectural design, detailing, industry standards, and building code
- Proficiency in Revit and working in a BIM environment
- Excellent collaboration, organizational and time management skills
- Proficiency in 3D modelling software such as Enscape, Lumion and/or Sketchup preferred
- Proficiency in communicating with clients, consultants and internal project teams

Qualifications:

- Master's degree in architecture from an accredited program
