Student Designer

Prairie Architects Inc. is looking for a Student Designer for the summer 2020 season with the potential to extend the term position until the end of 2020. Our firm is a recognized leader in sustainable high performance, energy-conserving and healthy buildings. We are a medium sized architectural and interior design office of 19 persons, located in the Exchange District. The successful candidate will support design activities of the firm through digital modelling, drafting, and production of graphic layouts for promotional materials. Please apply with a resume, portfolio, and 3 current references. Further details of the company can be found on our website at www.prairiearchitects.ca

**Primary Roles:**
1. Primary tasks include preparation of presentation materials, preliminary and schematic design drawings.
2. Responsible for accurate digital 3D modelling and photorealistic renderings.
3. Development of project promotional pages, staff resumes, and website content updates, as well as preparation of LEED submission drawings/promotional material.

**Secondary Roles:**
1. Secondary tasks include pre-design, schematic design, design development, and construction drawings with some detailed construction documents.
2. Review of project program requirements and space layouts
3. Preparation of as-built drawings
4. Job site visits to take accurate measurements of as-built conditions.

**Ideal Candidate Requirements**
1. Open to candidates enrolled in the Master of Architecture Co-op program (not mandatory); enrolled in or completed Bachelor of Environmental Design degree, or equivalent.
2. Expertise in Sketch-up and photorealistic rendering plug-ins.
3. Proficiency in Adobe Creative Suite in order to update and edit promotional material, including images and text.
4. Proficiency with VectorWorks, AutoCAD and/or Revit an asset
5. Proficiency with Microsoft Office and in writing and editing documents.
6. Physical modeling skills.
7. Experience in an Architecture/Engineering or Construction office setting, an asset but not mandatory.
8. Familiarity with Squarespace or other web editing platforms an asset.

**Position Details**
1. Fulltime position, 5 days per week, 37.5 hours per week. (negotiable)
2. Salary will commensurate with experience.
